Too many conflicting images -

1. A hot, brown, scrubby
field with men wearing helmets.
Holding guns, dressed in green
"fatigue" like clothing

2. A dark-haired, bespectacled
"businessman" facing forward
against a dark background. His
suit is dark blue, white tie and
narrow regimental tie.

3. A pointed-nosed Avrofitt-
flying at high altitude (gaining
altitude). Avr like on "Aviation Shub."

the much news trying to decide
which should be a cover story.
